

Fitting Type for BlocOut XL Blinds

These blinds can be fitted inside the recess of the window or surface mounted

Inside the recess

Fitted inside the window recess

NB There is no tolerance in this blind because of its size. In order to fit in the here, your recess **MUST** be square. If it is not, you will need to square the opening off and then take your measurements.

Surface

Outside the window recess. Allow 50mm to each side and 140mm to the top (must be added to your window measurements)
